RE: Docket No. 970696-WS - Application by Florida Cities Water Company for extension of temporary water service in Lee County, amendment of Certificates 27-W and 24-S to include territory in Lee County, and deletion of a portion of territory in Certificate No. 72-W by Gulf Utility Company in Lee County.

On March 9, 1998, a memo was issued to the Chairman's office referring to Docket No. 971236-WS, application for amendment by Florida Cities Water Company (Barefoot Bay Division). The memo advised that while reviewing the draft final order in the docket, staff discovered an error in description of service territory to be deleted from Gulf Utility Company's certificate. The reference to Docket No. 971236-WS was in error; the correct docket number is No. 970696-WS, as referenced above.

As noted in the March 9, 1998 memo, the order in Docket No. 970696-WS was scheduled to be filed on March 9, 1998. However, we will hold off on issuing the order until a subsequent recommendation is brought before the Commission on the March 24, 1998 Agenda Conference, in wh. a we will recommend that the Commission vote to modify its prior decision to account for the correction in Gulf's territory description.
