RE: Docket No. 971192-WS - Application for grandfather certificates to operate a water and wastewater utility in Polk County by Bieber Enterprises Inc. d/b/a Breeze Hill Utilities.

Dear Mr. Bieber:

This is a follow-up to our recent telephone conversations regarding the above referenced docket. As indicated to you over the telephone, staff has postponed the filing of the recommendation so that you can provide us with the necessary information to finalize the processing of your application.

To finalize the processing of your application, staff is again requesting that you provide proof of ownership of the land upon which the utility treatment facilities are located or an agreement which provides for the continued use of the land pursuant to Rule 25-30.035(6), Florida Administrative Code.

Additionally, staff has been informed by Mr. Gustavo Pines that the utility is operating under a joint ownership situation between you and the homeowners association. Staff has also been informed by a customer that the utility is owned by Mr. Pines. Please provide us with additional information to clarify the ownership of the utility. Recent corporate tax returns or property tax receipts will assist us in clarifying the ownership issue.
