Dear Mr. Jaeger:

I have been contacted by another constituent with problems he is having with Aloha Utilities.

James Oko of 1202 Middlesex Drive in New Port Richey is once again experiencing black water coming through his pipes. In the past, he contacted Aloha Utilities and they sent someone out to flush out the pipes. He recently called them, and they are now saying that they no longer come into the home and supply this service. It seems to me that until we get the ongoing situation resolved, Aloha should make every effort to provide quality service to their customers.

Thanks in advance for your assistance with this matter. If you need to contact Mr. Oko directly, you can reach him at 813-376-8288. As always, if I can ever do anything for you, please do not hesitate to contact me.

Yours truly,
