EXHIBIT I - A
NET-TEL CORPORATION
Financial Resources Statement

NET-tel Corporation is providing a 12 month ending February, 1998 financial statement with this application as proof of the company's ability to provide service in Florida. This balance sheet shows that NET-tel has current assets of \$792,807 and current liabilities of \$642,350, well above the one-to-one ratio normally used in telecommunications evaluations.

NET-tel proposes to operate as a reseller of competitive local exchange service in the state. There are minimal capital requirements or expenses that the company will experience when starting it's Florida operations. All transmission will be provided by the underlying carrier. The company has structured its retail pricing so that its per minute rate covers its per minute cost, thus assuring an almost instantaneous positive cash flow.

The company also points to the resumes provided with the application. These resumes show that NET-tel has the managerial experience and entrepreneurial skill necessary to run the company.
