We granted this company an IXC certificate in Docket 941240-TI in 1996, in Order PSC-96-0280-FOF-TI. The name on the certificate--based on how they filled out their application--is GTE Telecommunications Services Incorporated. Nonnye recently received a response to her request for updated MCD info, and their response included a correction to their name: GTE Telecommunication Services Incorporated ("s" in "Telecommunications" dropped). She pulled the closed docket file from Archives, and found that the corporation certificate from the Secy of State has "Telecommunication." We need to correct the name. Shall we re-open 941240 to issue an a-order?  
Kay

P.S. Kim, of course this wasn't your docket in 1994-96, but I'm assuming you'll have it to deal with now.

I remember! We will re-open Docket 941240 for an a-order.

Linda -- please document-number this e-mail and put a copy of the correction (I will provide it to you) with the e-mail. Your entry should read:
