Re: Docket No. 92-1098-WS

Gentlemen:

On April 13, 1998, we received a notice of intervention by the "Office of the Public Counsel." We would like to object to any participation by the "Public Counsel". Please advise by what means we can do this and the time period in which we have to do this. We do not have an attorney, so therefore we would appreciate your answer being as simple as possible so that we might understand it and take appropriate actions.

Yours very truly,
