Subject: 971478; 980184; 980495; 980499 - CONSOLIDATED DOCKETS (revised note)

====NOTE=====

Order PSC-98-0561, issued 4/21/98, consolidated these four dockets. Please place filings only in 971478 from the point of issuance of the order forward, both in CMS and in the docket file. All filings received after 4/21/98 (beginning with DN 04546-98) should be filed only in 971478. A copy of this e-mail DOES need to go in each docket, however. I have made the changes in CMS. The docket files will need to be "repaired."

The mailing lists can also be consolidated. Please let me know if questions. Kay

P.S. Linda, I will print this e-mail so it can be entered in CMS. It should be entered in CMS by the time you read this.
