 RE: Docket 971668-EI

This docket was opened in order to handle the confidentiality filings in the Electric Service Quality Audit. There were three requests for confidentiality, one each from Gulf Power, Florida Power Corporation and Florida Power and Light. We have reviewed their requests and orders have been issued and signed by the assigned Commissioner. No protests were filed to the final orders granting or denying the requests. Therefore, no further action needs to be taken and the docket may now be closed.
