Dear Commissioners:

'I am a landowner in Marion County, Florida. Recently I was informed that Florida Water Services Inc. (WS) has submitted an application to amend its Marion Oaks water and wastewater service area that includes my land.

I have not been contacted by representatives of FWS nor have I requested service from the utility and yet they are attempting to certificate my land. Futhermore, the Marion Oaks system has much higher user rates than other utilities in the County.

My reasons for not wanting to be included in this proposed certification include:

1. I all ready have well water and 2 I don't med anyone to tell med has 3 Hour hours are far enoughtipa 4. Tell the print own to go somewor	a sight it tank on my projectly.
2 Folont med anyone to tell med for	et paymer raterch payfh yoursen
4 Tell the print own to go somewor	be else where he is needed not

For these reasons I object to the proposed certification	ation amendment to increase the
Marion Oaks water and wastewater service area.	IM A TAX PAYER TOC. TELL
