Re: Approval of an Amendment to the Resale Agreement Negotiated by BellSouth Telecommunications, Inc. ("BellSouth") and Cincinnati Bell Long Distance pursuant to Sections 251 and 252 of the Telecommunications Act of 1996

Dear Mrs. Bayo:

Pursuant to section 252(e) of the Telecommunications Act of 1996, BellSouth and Cincinnati Bell Long Distance are submitting to the Florida Public Service Commission their amendment to their negotiated agreement for the purchase of BellSouth's telecommunications services for the purpose of resale to end users by Cincinnati Bell Long Distance. The Commission approved the initial agreement between the companies in Order No. PSC-98-0863-FOF-TP issued June 30, 1998.

Pursuant to section 252(e) of the Act, the Commission is charged with approving or rejecting the amendment to the negotiated agreement between BellSouth and Cincinnati Bell Long Distance within 90 days of its submission. The Act provides that the Commission may only reject such an agreement if it finds that the agreement or any portion of the agreement discriminates against a telecommunications carrier not a party to the agreement or the amendment of the agreement or any portion of the agreement or the apple public interest, convenience and necessity. Both parties aver that neither of these reasons exist carries as to the agreement they have negotiated and therefore, are very hopeful that the Commission Schul approve their amendment.
