Dear Director,

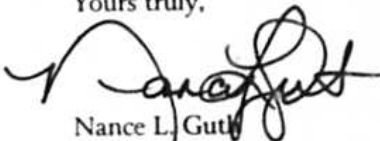

Enclosed is an original and 5 copies of the Initial Application for Quick Take Amendment for Rampart Utilities, Inc. to extend its territory to serve the Pilgrim United Church of Christ. The application will amend the Wastewater Certificate No. 497-S only.

Within 7 days the utility will be mailing notices to the governing body of the county and municipality, the regional planning council designated by the Clean Water Act, all water or wastewater utilities, the office of Public Counsel, the Commission's Director of Records and Reporting, the appropriate regional office of the Department of Environmental Protection and the appropriate Water Management District, as well as to each customer. Also, within 7 days the utility will cause the notice to be published once in the Charlotte Sun Herald. Copies of the notice and the applicable affidavits will be submitted to the Commission within 15 days of the application.

In accordance with Rule 25-30.036(3), F.A.C., the Follow-Up Application will be filed within 45 days after the completion of the noticing requirements.

Should you have any questions, please contact our office.

Yours truly,

Nance L. Guth

The undersigned hereby advises the Commission that amendment of Wastewater Certificate No. 497-S is approved pursuant to Rule 25-30.036(2), Florida Administrative Code, for the following reasons:

- A. The proposed new territory will not exceed 25 equivalent residential connections at the time the territory is built out.
- B. To the best of my knowledge:
- (1) There is no other utility in the area of the proposed new territory willing and capable of providing reasonably adequate service to the territory.
 - (2) The person(s) or business(es) requesting water or wastewater service have demonstrated to the utility that service is necessary because:
 - (a) a private well is contaminated or dry,
 - (b) a septic tank has failed, or
 - (c) service is otherwise not available.
- C. A completed **Follow-Up Application** will be filed in accordance with Rule 25-30.036(3), F.A.C., within 45 days after completing the noticing requirements specified in Rule 25-30.030, F.A.C.

AFFIDAVIT

I, Theodore C. Steffens, Court-Appointed Receiver do solemnly swear or affirm that the facts stated in the foregoing application are true and correct.

MAXIMUM NUMBER OF EQUIVALENT RESIDENTIAL CONNECTIONS

Please be advised that by extending Rampart Utilities, Inc.'s franchise to provide wastewater service to the Pilgrim United Church of Christ, it will not exceed the maximum of 25 equivalent residential connections at the time the extended territory is built out. Below is the estimated number of ERC's that will be served.

PILGRIM UNITED CHURCH OF CHRIST

| | |
|--------------------------------------|--------------------------|
| Number of seats in sanctuary | <u>Wastewater</u> 431 |
| Estimated Daily Flows, per seat | x <u>3</u> gpd |
| Estimated Gallons Per Day | 1,293 gpd |
| Divided by Single Family Daily Flows | <u>190</u> gpd |
| Estimated ERC's for Church | <u>7</u> ERC's |

AVAILABILITY OF SERVICE

Upon investigation and to the best of my knowledge there is no other utility in the area of the proposed extension that is willing or able to provide reasonably adequate wastewater service to the Pilgrim United Church of Christ.

Efforts to extend Charlotte County Utilities wastewater collection facilities to the site were unsuccessful.

The Pilgrim United Church of Christ has demonstrated to the utility that wastewater service from Rampart Utilities, Inc. is necessary because service is not available otherwise.
