HAND DELIVERY

Re: Docket No. 980876-WS
Application by Ocala Springs Utilities Inc. for original
certificates for water and wastewater in Marion County,
Florida.

Dear Ms. Brady:

Yesterday, you asked that we serve a notice of the Ocala Springs Application to the campground located at Indian Lake. Reference is made to the campground in Attachment 1, Exhibit B of the Application.

This letter is to confirm the information I gave you in our telephone conversation today. The campground operation no longer exists. The campground operated pursuant to a lease with Avatar Properties Inc. The lease was terminated about four months ago. While the campground operated it had its own source of water and treated its own wastewater.

If you have any questions please let me know.

Very truly yours,

B. Kenneth Gatlin
