Dear Sirs,

I just received my monthly bill from Bell South for \$17.38. The breakdown is as follows

Residential Line	-	\$10.65	
911 Charge - Broward City	-	50	
FCC Charge for Interstate Call		3.50	} \$6.73
Telecommunications Access		.12	
Taxes (Federal, Florida, State)		.73	
AT&T Carrier Line		1.88	
Charge Universal Connectivity			
Charge Taxes			

Miscellaneous Charges amount to about 60%. Somehow this seems out of proportion. I keep my phone connected even though I am only in Florida 2 months out of the year. Some of this is what I have to face. I may consider disconnection for some of the absent times. Perhaps these miscellaneous charges are required by law. Somehow however it seems like I am being charged for the total bill.
