RE: Docket No. 971185-WS: Application for Original Certificates for an Existing Utility Providing Water and Wastewater Service in Polk County by New River Ranch, L.C. d/b/a River Ranch

Dear Mr. Megill:

Please find enclosed the list of entities you must notify about the original certificate application that New River Ranch should be filing in this proceeding. Because New River Ranch rests near the edge of Polk County, notice must also be provided for the utilities, cities, and governmental agencies in Okechobee, Osceola, and Highland Counties. Notice must also be published in a newspaper of general circulation in Polk County. Also, your customers must be notified concerning this matter. A proposed Legal Notice is enclosed.

After giving notice, you will need to submit appropriate affidavits affirming that: a) the subject notice was published in a newspaper of general circulation, b) that notice was given by regular mail to each customer of New River Ranch, and c) that the surrounding utilities and cities in Polk, Okechobee, Osceola, and Highland Counties were notified by regular mail. Of course, the Office of Public Counsel, other governmental agencies, and this Commission only need a single notice. I have enclosed sample affidavits to illustrate the noticing procedures.

Thirty days must expire after notice is given before New River Ranch's application for an original certificate becomes final. A staff recommendation in this docket is planned for September 10, 1998. The scheduled agenda date is September 22, 1998. Therefore, please complete the noticing measures as soon as possible so that any objections will be known by the agenda conference.
