

P.S. we can't get out to meetings so we  
wrote to you.

FPSC,

We would really like to see some  
lower rate, or a bonus, for older folks  
living on fixed retirement monies.

Higher costs, and inflation, on everything  
we purchase, means we can only  
afford to buy less and less the older  
we get. That makes it hard to keep  
up the same standard of living when  
our dollars buy less each year.

Your help would be a real  
blessing to us, and just when it's needed  
most.

Sincerely yours,  
Fred & Nancy Foreman
