Dear Sir,

The telephone companies are becoming greedy. Some are cramming, slamming and now my bill has a fee tacked on by AT&T to defray their loss for Internet to schools.

Most seniors in Florida are on limited incomes and can ill afford to prop up AT&T's debts. We pay school taxes, also.

Let them assess the Lottery.

Telephones are a necessity for the elderly. Let's not price them out of the market.

Sincerely,  
Jacqueline O. Brown
