====NOTE=====8/19/98==9:16am==  
I've been trying to reach this IXC for the access flow-through, but I think Datacomm has vanished....when I call Datacomm's number in the MCD (305-375-8486), there's no answer. I checked DA, which provided a new number (207-7484). When I call that number, a recording comes on that says it's been disconnected. In June and August I sent out 2 return receipt requested letters and I haven't received the green card back from either date.

.....  
Sue, please forward the specific dates of your correspondence to Paula so she can proceed to cancel Datacomm's certificate. Thanks.

Hi,  
  
The first letter was sent on June 11, the second on August 3. The no answer phone calls were yesterday and today. The "disconnected number" phone call was today. Karen Cox also called them on July 24 and didn't get an answer. If you need anymore information, please let me know.

thanks.
