I want to put my complaint  
about the phone rates, in my  
house it costs me at least  
\$12.00 a month just to have  
the service, and if I call an  
Englewood number it costs  
six cents per minute.

One dollar a month for in  
house line service, and they  
want a new charge to raise  
that to \$1.95 that's a big jump.  
and because I don't see long  
distance <sup>enough</sup> they want a three dollar  
charge

Thank You
