#### DISCUSSION OF ISSUES

**ISSUE 1:** Should the Commission impose a \$500 fine or cancel the pay telephone certificates issued to each company listed on page 7 for apparent violation of Rule 25-4.0161, Florida Administrative Code, Regulatory Assessment Fees; Telecommunications Companies?

**RECOMMENDATION:** Yes. The Commission should impose a \$500 fine or cancel each company's certificate as listed on page 7 if the fine and the regulatory assessment fees, including statutory penalties and interest, are not received by the Commission within five business days after the conclusion of the 21-day protest period. The fine should be paid to the Florida Public Service Commission and forwarded to the Office of the Comptroller for deposit in the State General Revenue Fund pursuant to Section 364.285(1), Florida Statutes. If the Commission's Order is not protested and the fine and regulatory assessment fees, including statutory penalties and interest, are not received, the pay telephone certificate numbers listed on page 7 should be canceled. (Isler)

**STAFF ANALYSIS:** Rule 25-4.0161, Florida Administrative Code, requires the payment of regulatory assessment fees by January 30 of the subsequent year for telecommunications companies, and provides for penalties and interest as outlined in Section 350.113, Florida Statutes, for any delinquent amounts.

Staff was notified by the Division of Administration that each of the pay telephone providers listed on page 7 had not paid their 1997 regulatory assessment fees, plus statutory penalties and interest. Therefore, the companies have failed to comply with Rule 25-4.0161, Florida Administrative Code, Regulatory Assessment Fees; Telecommunications Companies.

Accordingly, staff recommends that the Commission assess a \$500 fine for failure to comply with the Commission rules or cancel

the companies respective certificate numbers if the fine and the regulatory assessment fees, along with statutory penalties and interest, are not paid within five business days after the conclusion of the 21-day protest period. The fine should be paid to the Florida Public Service Commission and forwarded to the Office of the Comptroller for deposit in the State General Revenue Fund pursuant to Section 364.285(1), Florida Statutes. If the Commission's Order is not protested and the fine and regulatory assessment fees, including statutory penalties and interest, are not received, the certificate numbers listed on page 7 should be canceled.

**ISSUE 2:** Should the Commission impose a \$500 fine or cancel the pay telephone certificates issued to each company listed on page 7 for apparent violation of Rule 25-24.520, Florida Administrative Code, Reporting Requirements?

**RECOMMENDATION:** Yes. The Commission should impose a \$500 fine or cancel the companies' respective certificate numbers if the information required by Rule 25-24.520, F.A.C. and fine are not received by the Commission within five business days after the conclusion of the 21-day protest period. The fine should be paid to the Florida Public Service Commission and forwarded to the Office of the Comptroller for deposit in the State General Revenue Fund pursuant to Section 364.285(1), Florida Statutes. If the Commission's Order is not protested and the required information and fine are not received, the pay telephone certificate numbers listed on page 7 should be canceled. (Isler)

**STAFF ANALYSIS:** Pursuant to Section 364.285, Florida Statutes, the Commission may impose a fine or cancel a certificate if a company refuses to comply with Commission rules. Rule 25-24.514, Florida Administrative Code, establishes the requirements for cancellation of a pay telephone company certificate. The rule provides for the Commission to cancel a certificate on its own motion for violation of Commission Rules and Orders.

Pursuant to Rule 25-24.520, Florida Administrative Code, each company is allowed 10 days after a change occurs to file updated information indicating any changes in the certificate holder's address (including street name and address, post office box, city), telephone number and any change in the name and address of the individual who is serving as primary liaison with the Commission. Mail sent to each of the companies listed on page 7 was returned to the Commission by the USPS. Staff called each of the companies but was unsuccessful in reaching the companies. In addition, staff called Directory Assistance but was unable to obtain new listings for the companies. It is been well over 10 days and staff has not been informed of the providers' correct mailing address, phone number, or liaison information, nor have any of the companies requested cancellation of their certificates in compliance with Rule 25-24.514, Florida Administrative Code.

Accordingly, staff recommends that the Commission assess a \$500 fine for failure to comply with the Commission rules or cancel the companies respective certificate numbers if the fine and information required by Rule 25-24.520, Florida Administrative Code, Reporting Requirements, are not received by the Commission

within five business days after the conclusion of the 21-day protest period. The fine should be paid to the Florida Public Service Commission and forwarded to the Office of the Comptroller for deposit in the State General Revenue Fund pursuant to Section 364.285(1), Florida Statutes. If the Commission's Order is not protested and the required information and fine are not received, the certificate numbers listed on page 7 should be canceled.

**ISSUE 3:** Should these dockets be closed?

**RECOMMENDATION:** Yes, if no person whose substantial interests are affected files a protest within 21 days of the issuance date of the Order, the Order will become final. Upon payment of the fines and fees, or cancellation of the certificate, these dockets should be closed. (K. Peña)

**STAFF ANALYSIS:** Whether staff's recommendation on Issue 1 is approved or denied, the result will be a proposed agency action order. If no timely protest to the proposed agency action is filed within 21 days of the date of issuance of the Order, these dockets should be closed upon payment of the fines and fees, or upon cancellation of the certificates. A protest in one docket should not prevent the action in a separate docket from becoming final.
