

FLORIDA PUBLIC SERVICE COMMISSION

VOTE SHEET

NOVEMBER 17, 1998

RE: DOCKET NO. 981255-EG - Petition for extension of Conservation Research and Development (CRD) Program by Florida Power & Light Company.

Issue 1: Should the Commission grant Florida Power and Light Company's (FPL) petition to extend its Conservation Research and Development Program until a new Demand Side Management (DSM) Plan for FPL is approved?

Recommendation: Yes. The program provides a vehicle for FPL to stay abreast of emerging conservation technologies. Approving additional time for the project will allow FPL to complete the evaluation of several additional technologies. Further, no additional costs beyond the already approved \$3,600,000 are being requested for recovery.

APPROVED
