Re: Docket No.981284 – Request by Florida Water Services Corporation for approval of tariff filing to provide reclaimed water service in Deltona service area in Volusia County

Dear Ms. Gervasi:

I write to memorialize Florida Water Service Corporation's conditional waiver of the sixty-day suspension requirement of Section 367.091 (5), Florida Statutes, until December 15, 1998. This waiver is made in reliance on your representation that staff intends to have its recommendation on final action in this docket considered at the Commission's December 15th agenda conference. In consideration of this waiver and the pending recommendation for the 15th agenda, I maintain that it is unnecessary for the commission to vote tomorrow on the staff's recommendation filed on November 19 and hereby request that that recommendation be removed from consideration.

If you have any questions, please feel free to contact me at (407) 880-0058, ext. 260.

Sincerely,
