FROM: Toni J. McCoy, Regulatory Analyst, Division of Communications

SUBJECT: Open Docket No. 981813-TC, Revise CASR Title

Please revise the CASR title for the above docket from:

Request for cancellation of Pay Telephone Certificate No. 1724 by Southrep, Incorporated, effective 12/7/98 and application for certificate to provide pay telephone service by Northwest Florida Telephone Company Inc.

Change to:

Application for certificate to provide pay telephone service by Northwest Florida Telephone Company, Inc.

After reading Mr. Stewart's application cover letter more closely, I decided Mr. Stewart was not actually requesting cancellation of certificate no. 1724, Southrep, Incorporated. Mr. Stewart was telling the Commission he would no longer be affiliated with Southrep, Incorporated as of January 1, 1999. Therefore, he is filing for his own pay telephone certificate as Northwest Florida Telephone Company, Inc. I confirmed this assumption by contacting Mr. Stewart and discussing the confusing matter. He is not requesting cancellation of certificate no. 1724. Please see the Secretary of States', corporations printout and a copy of his cover letter for your review.

Subject: Applications for PATS certificate

981813-TC

Dear sirs:

Thanks for your prompt response to my Email requesting this application. Enclosed is the completed application and the \$100.00 deposit.

I have for ten years been president of SOUTHREP, INC., holder of certificate 1724. Due to a pending sale of SOUTHREP, INC. my tenure as an officer of that company will terminate about January 1, 1999. NW Florida Telephone Company Inc. has been the installation and maintenance operation for SOUTHREP, INC. We are now planning to install and operate payphones for ourselves as well as other companies. We have ten years of experience in the industry.

Best regards,

Robert M. Stewart
