FORM PSC/CMU 8 (11/95)
Required by Chapter 364.337 F.S.

Further, a written explanation, which can include supporting documentation ~~CMU~~ regarding the following should be provided to show financial capability.

1. Please provide documentation that the applicant has sufficient financial capability to provide the requested service in the geographic area proposed to be served.
2. Please provide documentation that the applicant has sufficient financial capability to maintain the requested service.
3. Please provide documentation that the applicant has sufficient financial capability to meet its lease or ownership obligations.

NOTE: This documentation may include, but is not limited to, financial statements, a projected profit and loss statement, credit references, credit bureau reports, and descriptions of business relationships with financial institutions.

If available, the financial statements should be audited financial statements.

If the applicant does not have audited financial statements, it shall be so stated. The unaudited financial statements should then be signed by the applicant's chief executive officer and chief financial officer. The signatures should attest that the financial statements are true and correct.

B. Managerial capability.

See Attached

C. Technical capability.

Applicant will use the network services and technical expertise of its underlying carrier to provide services to customers in the State of Florida.

(If you will be providing local intra-exchange switched telecommunications service, then state how you will provide access to 911 emergency service. If the nature of the emergency 911 service access and funding mechanism is not equivalent to that provided by the local exchange companies in the areas to be served, described in detail the difference.)
