RE: LONDON COMMUNICATIONS INC. (TE153)

Recently mailed out my request for "updated information" from all the Companies/Utilities under the FPSC jurisdiction. Ms. Lillie responded on behalf of the above Company with a note stating that PhoneTel Technologies Inc. acquired all assets of London Communications, Inc. and they are no longer in existence.

Forwarding copy of my "updated information" to you for your information and further handling. As of this date no docket has been opened requesting cancellation of their certificate. Until an order is issued to cancel their certificate, they will remain as an "active" company and continue to owe regulatory assessment fees.

Thanking you in advance for your assistance.
