Data request and data responses

RECEIVED PSC
SEP 17 PM 3:39
RECORDS AND
REPORTING

On or about September 8, 1998, RAR should have received for filing in this special project a copy of Staff's data request to the parties. Although data responses are not due until October 2, 1998, two parties have already forwarded their responses to me (one by fax and the other by mail). I do not believe that either of these parties made an official filing with RAR. Therefore, I am attaching to this memo a copy of both documents for filing in 980000B-SP. Each document requires a separate RAR document number.

You may recall that prior filings in this project were put on the PSC web page. However, at this time, we are not asking that data responses be put on the web page. We will assess the need for web page insertion following receipt of the data responses in early October.

Should you have any questions or require additional information, please feel free to contact me via e-mail or by telephone at 3-6844. Thank you in advance for your prompt attention to this matter.

Ladies and Gentlemen:

My name is Shane Winn, and I am a Legislative Analyst at work for the Institute of Real Estate Management, an affiliate of the National Realtors Association. I am writing you today on recommendation of one of your Division's staff, to request that our organization be placed on the mail list for Docket number 980000B-SP - UNDOCKETED SPECIAL PROJECT: Access by Telecommunications Companies to Customers in Multi-Tenant Environments.

Several of our local chapters in Florida have been following this issue since the introduction of House Bill 3775 during Florida's most recent legislative session. Our chapters have asked that we remain up to date on the advancement of this issue, and I would greatly appreciate being placed on the Docket mailing list so that we may do so.

In addition, the staff person I spoke to at the Division of Records and Reporting mentioned that I should request a copy of a detailed listing of the public workshops being held on this Docket over the next several months. I would greatly appreciate it if a copy of this information could be faxed to our offices as soon as possible.

For purposes of correspondence, below is the appropriate mail address, telephone, and fax numbers:
