RE: Docket No. 981172-TC - Cancellation by Florida Public Service Commission of Pay Telephone Certificate No. 2734 issued to Lee County Laundromat, Inc. for violation of Rule 25-4.0161, F.A.C., Regulatory Assessment Fees; Telecommunications Companies

On November 10, 1998, I received a letter from this company requesting voluntary cancellation of its pay telephone certificate. I called the company and explained that until the past due regulatory assessment fees were paid, I could not voluntarily cancel its certificate. As I did not hear back from the company, the Commission approved staff's recommendation to involuntarily cancel the certificate at the December 1, 1998 Agenda Conference. Order No PSC-98-1713-FOF-TC was issued January 6, 1999, which required Lee County Laundromat to pay a \$500 fine plus past due regulatory assessment fees, along with statutory penalties and interest. This docket was closed January 15, 1999. I was only recently made aware that the company had paid the past due amount in full. Therefore, this docket needs to be taken back to Agenda. Please reopen Docket No. 981172-TC and use the attached letter from the company requesting voluntary cancellation of its certificate, as its response to the Order.
