Re: Docket No. 981994-WU  
Application for Amendment of Certificate No. 27-W to Extend Service Area in Lee County  
by Florida Cities Water Company

Dear Ms. Bayo:

This will confirm the substance of my telephone conversation on January 28, 1999, with Mr. Richard Redemann.

Florida Cities Water Company and surveyors are currently reviewing the legal description of the extension sought in the above application. It appears that it will be necessary to provide corrected notices to accurately reflect the legal description.

Since the notice list that we have expires later this week, please provide me with a current list so that we may expeditiously proceed once the correct legal description is available.

Please acknowledge receipt of the foregoing by stamping the enclosed extra copy of this letter and returning same to my attention.
