Ms. Julia Johnson Chair, Public Service Commission 2450 Shumard Oak Boulevard Tallahassee, FL 32399

Dear Ms. Johnson:

Please accept this letter as my support of the City of Deltona's request for the Public Service Commission investigate thoroughly the communication problems experienced by the residents of Deltona.

I have had numerous calls here to my district office in Volusia County from residents who are frustrated by the numerous communication problems that the City of Deltona has been experiencing. These include added costs due to the current division of the City into two area codes and their concern that a third area code would be detrimental to all Deltona residents and business owners. I urge the Public Service Commission to investigate this issue thoroughly prior to implementing any further changes to the area codes or interLATA calling zones within the Deltona area.

Thank you for your consideration of this request by the City of Deltona.

Sincerely.

Pat Patterson
