RE: Docket # 981965-TX

CMU

Dear Ms. Isler:

I am sorry for any misunderstanding on ComUSA's part in reference to our state regulatory fees. We will pay all the 1997 Regulatory Assessment Fee as rapidly as possible, and pay all future fees in a timely manner. Having never received the form we were unaware of the fee, not purposely ignoring it. There was a registered/certified letter that came to our Post Office box early in 1998. The notification did not list the sender so we had no way of knowing who the letter was from. The U.S. Post Office, Ormond Beach Branch (32175) represented by Jan Farmer, will be delivering to ComUSA a letter that states they lost or misplaced this registered letter. As soon as we receive the letter we will forward it to you.

As stated above it was clearly not ComUSA's intention to willfully disregard the law. We believe that we do deserve to stay in business and to hopefully stay in the good graces of the PSC. Therefore, we offer a cash settlement of \$100.00 as a reasonable settlement in addition to the fee and penalties.

Any future correspondence should be sent to our financial office. That address is P.O. Box 3584, New Bern, N.C. 28564. Thank you for your help and consideration of this matter.

Sincerely,

  
Mary Margaret Hamilton  
President
