CASE BACKGROUND

Global Link Teleco Corporation d/b/a Global Link or d/b/a GTS obtained IXC Certificate No. 4774 on 04/15/97.

The Division of Administration sent the 1997 RAF notice by certified mail. The USPS returned the receipt which showed the RAF notice was signed for and delivered on December 16, 1997. The Division of Administration notified staff by memorandum that this company did not pay its 1997 RAFs, plus statutory penalties and interest for the year 1997.

This docket was deferred from the February 2, 1999 Agenda Conference after the company's General Counsel, David S. Tobin, contacted staff and advised that the company wanted to keep its certificate, would pay the past due amount, and would make a

settlement offer. As of April 1, 1999, the company has not paid the past due amount or submitted a settlement offer.

Staff believes the following recommendations are appropriate.

DISCUSSION OF ISSUES

ISSUE 1: Should the Commission impose a \$500 fine or cancel the company's IXC certificate for apparent violation of Rule 25-4.0161, Florida Administrative Code, Regulatory Assessment Fees; Telecommunications Companies?

RECOMMENDATION: Yes. The Commission should impose a \$500 fine or cancel the company's certificate if the fine and the regulatory assessment fees, including statutory penalties and interest, are not received by the Commission within five business days after the conclusion of the 21 day protest period. The fine should be paid to the Florida Public Service Commission and forwarded to the Office of the Comptroller for deposit in the State General Revenue Fund pursuant to Section 364.285(1), Florida Statutes. If the Commission's Order is not protested and the fine and regulatory assessment fees, including statutory penalties and interest, are not received, the company's IXC Certificate No. 4774 should be canceled with an effective date of December 31, 1998. (Isler)

STAFF ANALYSIS: Rule 25-4.0161, Florida Administrative Code, requires the payment of regulatory assessment fees by January 30 of the subsequent year for telecommunications companies, and provides for penalties and interest as outlined in Section 350.113, Florida Statutes, for any delinquent amounts.

Staff was notified by the Division of Administration that GTS had not paid their 1997 regulatory assessment fees, plus statutory penalties and interest. Therefore, the company has failed to comply with Rule 25-4.0161, Florida Administrative Code, Regulatory Assessment Fees; Telecommunications Companies.

This docket was deferred from the February 2, 1999 Agenda Conference after the company's General Counsel, David S. Tobin, contacted staff and advised that the company wanted to keep its certificate, would pay the past due amount, and would make a

settlement offer. As of April 1, 1999, the company has not paid the past due amount or submitted a settlement offer.

Accordingly, staff recommends that the Commission assess a \$500 fine for failure to comply with the Commission rules or cancel the company's certificate if the fine and the regulatory assessment fees, along with statutory penalties and interest, are not paid within five business days after the conclusion of the 21 day protest period. The fine should be paid to the Florida Public Service Commission and forwarded to the Office of the Comptroller for deposit in the State General Revenue Fund pursuant to Section 364.285(1), Florida Statutes. If the Commission's Order is not protested and the fine and regulatory assessment fees, including statutory penalties and interest, are not received, Certificate No. 4774 should be canceled with an effective date of December 31, 1998.

ISSUE 2: Should this docket be closed?

RECOMMENDATION: Yes, if no person whose substantial interests are affected files a protest within 21 days of the issuance date of the Order, the Order will become final. Upon payment of the fine and fees, or cancellation of the certificate, this docket should be closed. (Miller)

STAFF ANALYSIS: Whether staff's recommendation on Issue 1 is approved or denied, the result will be a proposed agency action order. If no timely protest to the proposed agency action is filed within 21 days of the date of issuance of the Order, this docket should be closed upon payment of the fine and fees, or upon cancellation of the certificates.
