RE: TRIDENT COMMUNICATIONS (DERRELL FAGAN d/b/a) - TF765

Recently mailed out my request for "updated information" from all the Companies/Utilities under the FPSC jurisdiction. Mr. Fagan responded with a note (copy attached) advising that he sold Company, equipment, and assets on 3-12-99 to Communications Equipment and Services, L.L.C.

Forwarding copy of my "updated information" for you information and further handling. No docket has been opened to cancel their certificate. Until an order is issued to cancel their certificate, they will remain as an "active" company and continue to owe regulatory assessment fees. Also, there is no company under the name he states certificated by the PSC.

Thanking you in advance for your assistance.
