Re: Docket No. 980242-SU, Application for a Limited Proceeding for Increase of Wastewater Rates by Lindrick Service Corporation in Pasco County (data request)

Dear Mr. Hoffman:

We received the responses to staff's data request dated April 1, 1999. Response No. 9 states that Phase-I work on the collection system has been completed. Please submit copies of invoices for all plant improvements that have been completed for Phase-I. We have revised the case assignment scheduling record (CASR) with a recommendation filing date of June 17, 1999 and an Agenda date of June 29, 1999 to allow time to request and receive documentation of plant cost. We are requesting that we receive this information by April 29, 1999.

Sincerely,

Ralph R. Jaeger
