RE: Addition of Docket 981091-TI to the Agenda for Commission Conference, May 4, 1999

The purpose of this memorandum is to seek your approval for adding Docket 981091-TI - APPLICATION FOR CERTIFICATE TO PROVIDE INTEREXCHANGE TELECOMMUNICATIONS SERVICE BY PREMIERCOM, INC. D/B/A PCI TELECOMMUNICATIONS, INC. to the Agenda for Commission Conference scheduled for May 4, 1999.

Staff's recommendation, the Agenda Item Proof Slip, and all required approvals were completed on April 13, 1999. Unfortunately, staff was remiss in submitting the required documentation to Records and Reporting. Delaying this docket to the next agenda causes undue harm to the applicant. Delays have already been experienced due to a motion to intervene by a second party. The applicant should not suffer further delay because of staff's oversight in fulfilling the Commission's processes and procedures.

4/23/99
 Chairman Garcia,
 Walter promises to do
 better in the future if
 you will be so gracious to
 approve this addition to the
 agenda.
 THANK YOU!

Ch. Garcia
