RE: Docket No. 981895-TC - Initiation of show cause proceedings against Beach One Telecom for violation of Rule 25-24.510, F.A.C., Certificate of Public Convenience and Necessity Required.

After reviewing the circumstances of this docket, staff has determined a show cause action against Beach One Telecom is not necessary.

It appears that George K. Bodfish, owner of Beach One Telecom, submitted a request to the Division of Telecommunications for a certificate name change to operate under a fictitious name in March 1997 which inadvertently went unprocessed by staff. Mr. Bodfish has since applied for a pay telephone certificate as Beach One Telecom, Inc. and was certificated effective 03/26/99.

Staff has determined that Beach One Telecom, Inc. is operating within Commission Rules and considers this docket to have been opened in error. Therefore, pursuant to Section 2.07, Administrative Procedures Manual, staff requests that Docket No. 981895-TC be closed.
