Issue 2: What rates and charges should be approved for Four Lakes Golf Club, Ltd.?

Recommendation: As detailed in the analysis portion of staff's memorandum, the rates and charges for 5/8 x 3/4" meters in effect at the time of this filing should be approved as the original tariff rates along with the Commission's standard meter test deposits. In addition, the utility should be required to charge itself irrigation rates for common area water, including golf course irrigations. The first revised tariff sheets for 5/8 x 3/4" meters, effective November 30, 1998 pursuant to the pass-through rate adjustments, should supersede those approved in staff's memorandum. The effective date of the irrigation rates and all remaining tariff provisions should be the stamped approval date on the tariffs. In the event of a protest, the rates should remain in effect pending the outcome of the rate hearing.
