ORDER GRANTING LEGAL ENVIRONMENTAL ASSISTANCE FOUNDATION'S  
MOTION FOR EXTENSION OF TIME

By motion filed June 10, 1999, the Legal Environmental Assistance Foundation, Inc. (LEAF) has requested that certain testimony filing dates in the above-referenced dockets be extended. LEAF asserts that it is "attempting to reach settlement of the individual proceedings combined in this case." As of this date, stipulations have been filed between LEAF and Florida Power Corporation in Docket No. 971005-EG; and between LEAF and Gulf Power Company in Docket No. 971006-EG. These stipulations are currently scheduled for Commission consideration on June 29, 1999. To work toward the goal of reaching agreement in all the dockets, LEAF asks that the filing dates for its testimony, staff testimony (if any), and the utilities' rebuttal testimony be extended for one week, with an additional six days "if it appears that settlement agreements are close, but not final." The motion represents that LEAF has conferred with the electric utilities and there is no objection to the request.

Having reviewed the request, and being otherwise fully advised in the premises, I find that the motion should be granted. To avoid possible confusion, the filing schedule shall be extended for the full thirteen days discussed in the motion. Accordingly,

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.569(1), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Mediation may be available on a case-by-case basis. If mediation is conducted, it does not affect a substantially interested person's right to a hearing.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.0376, Florida Administrative Code, if issued by a Prehearing Officer; (2) reconsideration within 15 days pursuant to Rule 25-22.060, Florida Administrative Code, if issued by the Commission; or (3) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Director, Division of Records and Reporting, in the form prescribed by Rule 25-22.060, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy. Such review may be requested from the appropriate court, as described above, pursuant to Rule 9.100, Florida Rules of Appellate Procedure.
