Docket No. 981834-TP
Filed: July 7, 1999

PETITION OF MEDIAONE FLORIDA
TELECOMMUNICATIONS INC. FOR LEAVE TO INTERVENE

Pursuant to Rule 25-22.039, Florida Administrative Code, MediaOne Florida Telecommunications Inc. ("MediaOne") respectfully petitions the Florida Public Service Commission ("Commission") for leave to intervene in the above-captioned proceeding. In support thereof, MediaOne states as follows:

1. The petitioner, MediaOne, is a certificated Alternative Local Exchange Company ("ALEC") authorized by the Commission to operate in Florida. MediaOne's business address is 7800 Belfort Parkway, Suite 250, Jacksonville, FL 32256.

2. The names and addresses of the people authorized to receive all notices, pleadings and other communications in this docket are:

3. On December 10, 1998, the Florida Competitive Carriers Association (FCCA) and several other parties filed a petition for Commission action to support local competition in BellSouth's service territory. By Order dated May 26, 1999, the Commission decided to investigate numerous competitive issues addressed in the

petition including Operational Support Systems ("OSS"), third party testing of OSS systems, costing and pricing of OSS, and collocation and access to loops.

4. The Commission's decisions on these issues directly and materially affect MediaOne. The company is a certificated ALEC currently competing in BellSouth's territory. MediaOne offers and intends to offer competitive services that will require nondiscriminatory access to the incumbent LEC's network and Operational Support Systems on fair and reasonable terms. Orders of the Commission in this proceeding will directly impact the terms by which MediaOne provides service.

WEHREFORE, MediaOne respectfully requests that the Commission grant its Petition and allow MediaOne to become a full party of record in this docket.

Respectfully submitted this 7th day of July, 1999.
