Request for Extension of Time to File Recommendation for August 31, 1999 Agenda

We are requesting an extension of time in which to file a recommendation for the August 31, 1999 Agenda. The recommendation will address the approval of a settlement just reached between the parties involved in this protested case. The parties are in the process of reducing the settlement agreement into the form of an executed stipulation, which staff understands will be filed with the Commission by close of business on Friday, August 20, 1999.

Both OPC and the company have requested that the settlement be on the August 31, 1999 Agenda. The settlement, if approved, will resolve this case and the hearing set for September 14 and 15, 1999 will be canceled. In order to adequately address this matter, staff requires additional time to receive the executed stipulation and prepare its recommendation. Therefore, staff requests that it be allowed to file its recommendation by 4:00 p.m., Tuesday, August 24, 1999.
