**Re: Undocketed; Telephone Company Central Florida, Inc.
Audit Request; Audit the RAF Returns for 1998 to Determine the
Appropriate Amount of RAF Due for Each Certificate
Audit Control No. 99-249-3-1**

Dear Ms. Greene:

The Florida Public Service Commission will audit the Regulatory Assessment Fee (RAF) returns for 1998 to determine the appropriate amount of RAF Due for each certificate in accordance with Commission audit procedures. Access will be requested to documents and records of the utility and, if necessary, supporting records for affiliate company transactions that affect regulated operations. Staff auditors may also request to review the utility's external audit working papers for the most recent independent audit. Charleston Winston, (407)245-0846, the district office supervisor, will coordinate this audit. Questions regarding the audit or audit staff should be directed to the district supervisor or myself. My phone number is (850) 413-6487.

The Audit Access to Records rule for each industry states:

- AFA _____
- APP _____
- CAF _____
- CMU _____
- CTR _____
- EAG _____
- LEG _____
- MAS _____
- OPC _____
- PAI _____
- SEC _____
- WAW _____
- OTH _____

In those instances where the utility disagrees with the auditor's assessment of a reasonable response time to the audit request, the utility shall first attempt to discuss the disagreement with the auditor and reach an acceptable revised date. If agreement cannot be reached, the utility shall discuss the issue with successive levels of supervisors at the Commission until an agreement is reached.
