REQUEST FOR EXTENSION OF TIME

Florida Power & Light Company ("FPL") hereby files this its Request for Extension of Time in which to pre-file its Projection Testimony and supporting documentation until October 8, 1999. In support of this request FPL states:

1. By the Order Establishing Procedure entered in this Docket on April 20, 1999, the date of October 1, 1999 was established for the filing of Projection Testimony and supporting materials and exhibits. In that Order Establishing Procedure, the additional dates relating to the Docket were set forth including having the hearing occur on November 22 through November 24, 1999.

Due to recent threats to Florida from hurricanes, FPL staff has been on "storm duty" assignments which have interfered with the ability to complete preparation in accordance with the schedule established in this Docket. FPL anticipates that it will be able to complete the filing in advance of October 8, 1999 but believes that a one week extension as requested would be most prudent under

the circumstances.

2. FPL has not contacted other parties to this Docket in advance of filing this request because it wanted to complete the filing as rapidly as possible and will be making expedited delivery on parties so as to permit as early service as possible.

WHEREFORE, for the reasons herein set forth, FPL respectfully requests an extension of time of one week for the filing of its Projection Testimony in this Docket.

Respectfully submitted,
