VOTE SHEET

OCTOBER 5, 1999

RE: DOCKET NO. 980744-WS - Investigation into ratemaking considerations of gain on sale from sale of facilities of Florida Water Services Corporation to Orange County.

Issue 1: Should this docket be set for hearing?

Recommendation: Yes. Because of the controversial nature of this docket, staff believes it would be an inefficient use of time and resources to issue a Proposed Agency Action order which would almost certainly be protested.
