Any person requiring some accommodation at the hearing or the prehearing conference because of a physical impairment should call the Division of Records and Reporting at (850) 413-6770 at least 48 hours prior to the hearing or prehearing conference. Any person who is hearing or speech impaired should contact the Florida Public Service Commission by using the Florida Relay Service, which can be reached at 1-800-955-8771 (TDD).

PURPOSE AND PROCEDURE

The purpose of this hearing will be for the Commission to take final action to determine the need, pursuant to Section 403.501-519, Florida Statutes, for the construction of a power plant and related facilities in Okeechobee County, Florida. This proceeding shall allow Okeechobee Generating Company, L.L.C., to present evidence and testimony in support of its petition for a determination of need for its proposed plant and related facilities in Okeechobee County, Florida; to permit any intervenors to present testimony and exhibits concerning this matter; to permit members of the public who are not parties to the need determination proceeding the opportunity to present testimony concerning this matter; and for such other purposes as the Commission may deem appropriate. All witnesses shall be subject to cross-examination at the conclusion of their testimony.

The proceedings will be governed by the provisions of Chapter 120, Florida Statutes; Section 403.519, Florida Statutes; Chapter 25-22, Florida Administrative Code; and Chapter 28-106, Florida Administrative Code.

Under Section 403.519, Florida Statutes, the Commission is the sole forum for the determination of need for the electrical power plant and associated facilities. In making its determination, the Commission must take into account the need for electric system reliability and integrity, the need for adequate electricity at a reasonable cost, and whether the proposed plant is the most cost-effective alternative available. The Commission must also expressly consider the conservation measures taken by or reasonably available to the petitioner which might mitigate the need for the proposed plant, and other matters within its jurisdiction which it

deems relevant. The Commission's determination of need for the Okeechobee County facility shall create a presumption of public need and necessity and shall serve as the Commission's report as required by Section 403.507(2)(a)(2), Florida Statutes. An order entered by the Commission pursuant to this hearing shall constitute final agency action.

Only issues relating to the need for the power plant and its associated facilities will be heard at the December 6-8, 1999, hearing. Separate public hearings will be held before the Division of Administrative Hearings to consider environmental and other impacts of the proposed plant and associated facilities.

Members of the public who are not parties to the need determination proceeding will have an opportunity to present testimony regarding the need for the proposed plant and associated facilities. All members of the public who wish to offer testimony should be present at the beginning of the hearing. All witnesses will be sworn and will be subject to cross-examination at the conclusion of their testimony.

Written comments regarding the need for the proposed plant and associated facilities may be sent to the Commission at the following address:

Blanca Bayó  
Director, Division of Records and Reporting  
Florida Public Service Commission  
2540 Shumard Oak Boulevard  
Tallahassee, Florida 32399-0870  
Re: Docket No. 991462-EU

Anyone wishing to become a party to the need determination proceeding should file an appropriate petition pursuant to Rule 25-22.039, Florida Administrative Code, with the Director of the Commission's Division of Records and Reporting at the address listed above. Copies of the petition should be sent by mail to all parties. Those wishing to intervene in these proceedings, unless appearing on their own behalf, must be represented by an attorney or other person who can be determined to be a qualified

representative pursuant to Chapter 120, Florida Statutes, and Rule 28-106.106, Florida Administrative Code. Petitions for leave to intervene must be filed at least five (5) days before the final hearing, must conform with Rule 28-106.201(2), Florida Administrative Code, and must include allegations sufficient to demonstrate that the intervenor is entitled to participate in the proceeding as a matter of constitutional or statutory right or pursuant to Commission rule, or that the substantial interests of the intervenor are subject to determination or will be affected through the hearing.

#### GENERAL LOCATION AND PROJECT DESCRIPTION

The proposed electrical power plant is estimated to produce 550 MW of net generating capacity. The proposed plant is to be located north-northeast of Lake Okeechobee, approximately five miles southeast of the City of Okeechobee, In Okeechobee County, Florida. The site is located west of Nubbin Slough on the north side of State Road 710. The proposed unit consists of two combustion turbine generators, two heat recovery steam generators, two steam turbine generators, and associated facilities. The proposed plant is estimated to commence commercial operation in April 2003.

#### PREHEARING CONFERENCE

A prehearing conference will be held at the following time and place:

9:30 a.m., Wednesday, December 1, 1999  
Room 148, The Betty Easley Conference Center  
4075 Esplanade Way  
Tallahassee, Florida

The purpose of this prehearing conference will be to: (1) simplify the issues; (2) identify the positions of the parties on the issues; (3) consider the possibility of obtaining admissions of fact and of documents which will avoid unnecessary proof; (4) identify exhibits; (5) establish an order of witnesses; and (6)
