Re: One-Stop Communications, Inc.

To whom it may concern:

On behalf of One-Stop Communications, Inc., I am requesting the cancellation of One Stop's certificate to provide interexchange telecommunications service that was granted by the Florida Public Service Commission by an order dated October 31, 1997, and the withdrawal of One-Stop's corresponding tariff currently on file with the Commission.

One-Stop currently has no customers in Florida and has not collected any deposits from past customers. One-Stop is in the process of refocusing its business operations and does plan to offer service in the State of Florida in the foreseeable future.

If you have any questions concerning this request for certificate cancellation and tariff withdrawal, please do not hesitate to contact me at the address and phone number listed above.

Sincerely,

Kirk L. Peterson
