Re: Springside Utility

Dear Mr. Rose:

I recently received a copy of your letter to Mr. Ken Drummond regarding the utility system at Springside in Levy County, Florida. As you know the utility system has been abandoned by Mr. Drummond and we are in the process of attempting to find a receiver to run the system. I was aware that you have acquired a Tax Deed on the property on which the wells and tank are located.

If you wish to be the receiver for the system the County will be happy to propose that to the Circuit Court. Please advise if that is the case so that I can prepare the appropriate pleadings.

Sincerely,

Gregory V. Beauchamp
