Re: Notification of Name Change of Telco Holdings, Inc. d/b/a Dial & Save to
Teleglobe Business Solutions Inc.

Dear Ms. Bayo:

On behalf of Telco Holdings, Inc. d/b/a Dial & Save ("THI" or "Company"), this letter is to notify the Commission of the Company's intention to change its name to Teleglobe Business Solutions Inc. A copy of the Certificate of Authority to Transact Business in the State of Florida under the new name will be forwarded as soon as it is available.

By way of background, THI is authorized to provide intrastate interexchange and alternative local exchange telecommunications services in Florida pursuant to the Commission Order in Docket Nos. 930820-TI (November 8, 1993) and 960647-TX (August 7, 1996), respectively. Including Florida, THI is authorized to provide resold intrastate interexchange telecommunications services in forty-eight (48) states and intrastate local exchange telecommunications services in twenty-seven (27) states, pursuant to certification, registration, or, where applicable, deregulation. THI also holds an international Section 214 authorization to provide global facilities-based and global resale telecommunications services to all international points.¹

THI has determined that the name change from Telco Holdings, Inc. to Teleglobe Business Solutions Inc. will be a valuable step in developing its telecommunications services and in implementing its ongoing business plan. Specifically, the name change will facilitate consolidation of business customers under a single brand name in the Teleglobe corporate family of telecommunications service providers, thereby strengthening the Company's position in the telecommunications market and increasing the efficiency of operations through economies of scope and scale. The name change will not in any way inconvenience or cause harm to THI's customers.

¹ FCC File No. ITC-214-19970415-00212.

FPSC-RECORDS/REPORTING

To the extent necessary, THI will file a revised tariff or adoption statement under separate cover to indicate the name change and will notify customers of the name change by bill insert or other appropriate method. Consumers will continue to be provided high quality, affordable services by Teleglobe Business Solutions Inc.

Previously, an Application was filed with the Commission in Docket No. 990144-TP in connection with a proposed *pro forma* reorganization of THI, Excel Operations, Inc., and Long Distance Wholesale Club, Inc. The companies no longer desire to proceed with this reorganization, and will instead proceed with the name change discussed herein. Any required filings in connection with this change in plans are being prepared and will be submitted in the near future.

Upon review of Florida statutes and Commission rules, it is the understanding of the Company that prior Commission approval is not required for the proposed name change. Therefore, absent receipt of written notification to the contrary, the Company will, within thirty (30) days, proceed on the understanding that no approval or other formal action with respect to the name change is required by the Commission.

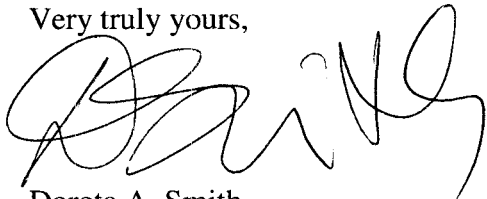

In addition, THI wishes to designate the following individual as its regulatory contact with the Commission for all matters, and requests that the Commission update its records accordingly:
