We received a letter today from Pamela Christmas at Sunshine Utilities asking us to place the 5/98 cert. amendment application in a separate docket. We will send copies of this request to you; please advise if a new docket should be opened to handle the second application. (It was placed in 980543 when received, based on advice from staff.) Thanks. Kay

Thanks for the heads-up, Kay. Ms. Christmas sent in the request pursuant to a conversation she and I had last Friday. It appears there may have been a misunderstanding as to whether the utility intended to file one or two amendment applications; I hope that the letter will help clarify the situation. We'll email you back as soon as staff and I have had a chance to review Ms. Christmas' request.
