====URGENT=NOTE=====8/10/99==3:07pm=====

CC: Catherine Bedell, Linda Williams

Kim, this is Will's order, but he is gone isn't he? And Cathy signed off on it but I believe she is out today? Can you take a look at the 3rd ordering paragraph? It says "Ordered that failure to respond...will result in the automatic assessment of the appropriate fine and cancellation of certificate."

Is it right to word it that way? Should it say "POSSIBLE cancellation of certificate," or "cancellation of certificate if the fine is not paid" or should "cancellation of certificate" not be mentioned at all in that paragraph, since it is mentioned in the next? Can you take a look at this?
Kay

P.S. I will copy Cathy on it, in the event you are not able to review it today. Since I will be out on Wed, any response then should be referred to Linda.

Will. You want to check this one out and answer ASAP so they can stop calling me. Thanks!

Kim, is Will still here? As I mentioned in my voice mail, I had an e-mail from him last week (I was out) asking what the problem was. I tried to contact him when I got back, but could not.

If you will look at Order PSC-99-1586, 3rd ordering paragraph, you'll see that it reads ". . . and will result in the automatic assessment of the \$3,450 fine." It doesn't continue "and cancellation of certificate." I believe "and cancellation of certificate" should not be included in the 4th ordering paragraph of the order in 990761. Can you look and advise ASAP?

I told Sandy not to include 990761 if she is running the off-schedule report, since we've had the order here since last week--just need to get it straight! I'll cc: Cathy in the event you're not in today. And, because I'm going in ag, please contact LINDA with an answer. Thanks! Kay

Sorry it took a while to get back to you. I believe the order correctly reflects what is in the recommendation. The cancellation language was included in the underlying rec. Although we haven't been including the cancellation language in all of the paytelephone evaluation show causes, it is in some. I
