**TAMPA ELECTRIC COMPANY'S  
REQUEST FOR CONFIDENTIAL CLASSIFICATION**

Tampa Electric Company ("Tampa Electric" or "the company") files this its Request for Confidential Classification of certain customer information and, as grounds therefor, says:

1. Staff has informally requested that Tampa Electric provide certain information concerning its non-firm customers. The company is pleased to provide this information although it desires to maintain the confidentiality of the names and addresses of its non-firm customers.

2. These non-firm customers primarily consist of industrial entities who desire to protect their competitive interests. Tampa Electric over time has maintained the confidentiality of the rate schedules pursuant to which these industrial customers take service in order to avoid any potential adverse effect on their competitive interests. Supplying the information in question on a confidential basis will enable the company to provide the Staff the information it needs without compromising the interests of the company's interruptible customers.

3. The company is filing under a separate confidential cover letter one version of the information requested highlighted in yellow to show the confidential information it desires to protect from public disclosure. Attached hereto is a redacted version of the data with the names and addresses of the non-firm customers redacted.

4. Tampa Electric treats the information in question as confidential and does not disclose it publicly.

FPSC-RECORDS/REPORTING

WHEREFORE, Tampa Electric requests that the Commission grant confidential status to the names and addresses of its non-firm customers in the highlighted version of the data being furnished under separate cover letter.

DATED this 6<sup>th</sup> day of January 2000.

Respectfully submitted,

---

Q. Please provide, by January 6, 2000, a list showing the names and mailing addresses of each non-residential customer receiving service pursuant to one or more of the following rate schedules:

TECO           IS-1, IS-3, IST-1, IST-3, SBI-1, SBI-3  
                  General Service Load Management Rider  
                  General Service Industrial Load Management Rider  
                  General Service Industrial Standby and Supplemental Load  
                  Management Rider

... and, if known, whether the customer has backup generation, such as diesel-powered generators.

A. The attached listing provides names and mailing addresses for the following rate schedules:

IS-1, IS-3, IST-1, IST-3, SBI-1, SBI-3, SBIT-1, SBIT-3  
General Service Load Management Rider

There are no customers associated with rate schedules "General Service Industrial Load Management Rider" and "General Service Industrial Standby and Supplemental Load Management Rider" as those rates have yet to be approved by the Commission.

The list also reflects whether or not the customer has some type of backup generation.

- Q. If the customer is a “buy-through” customer, please indicate the date and time that the “buy-through” provision was enacted in lieu of interruption. Do not provide the MW amount curtailed or buy-through rate for each individual customer, as this may be confidential.
- A. The following reflects the dates and times that Tampa Electric Company was purchasing power on behalf of non-firm customers in lieu of interruption. Tampa Electric’s records contain proprietary and voluminous information pertaining to every buy-through power purchase transaction. It is not possible to extract the information that links the individual dates and times of purchases to each individual customer and be responsive in the time frame requested. Tampa Electric offers to make the records available for review by Florida Public Service Commission Staff at a date, time and location mutually agreeable to Staff and Tampa Electric, subject to protection afforded to confidential information.
