Subject: Objection to Interstate expansion.

With regard to the letter entitled
"Notice of Application For Initial Certificate
of Authorization for Water and Wastewater
certificates" postmarked 12/29/99. we
would like to go on record as strongly
objecting to the application by Interstate
Utilities. Further expansion and use
of the facility ^{located in Ponte Vedra} will adversely affect
our quality of life in Sawgrass
County Club and the surrounding areas.

The existing odor, which is extremely
objectionable will increase and we
have great concern that our lakes and
lagoons will become polluted -

We are confident that these points will
be taken into serious consideration and
the application will be denied, which
would allow Interstate to service
other areas from the Sawgrass site.
