Re: Year 2000 Rollover

Dear Ms. Bayo:

On behalf of Quincy Telephone Company, we are pleased to report the rollover and transition to 2000 has been a complete success based upon all the information we have been able to compile.

As you well know, the January 1, 2000 date presented many challenges for TDS TELECOM. Company officials, however, were committed to having our systems prepared so each one of our customers would enjoy convenient, uninterrupted and reliable service.

TDS TELECOM'S years of diligent planning and preparation have resulted in a seamless transition to the Year 2000! TDS TELECOM will continue to provide high quality local telephone service well into this new millennium!

If you have any further questions regarding our Year 2000 efforts, please contact Trina Kloehn directly at 608-437-7368.

Sincerely,

William Grabel
